## Address Sign

The City of Caney is now taking orders for address signs with reflective house numbers. Your purchase of an address sign is an easy, economical way to ensure that our Fire and Police departments can quickly locate your home in case of an emergency.

Caney's ordinance regarding house numbers states that all homes and buildings in Caney must be numbered, and numbers must be at least four inches in height, legible, and conspicuously displayed on the front of each house or building. The purchase of an address sign with reflective numbers will ensure that your home is easy to locate when you need the help of emergency services. Signs can be displayed both vertically and horizontally.
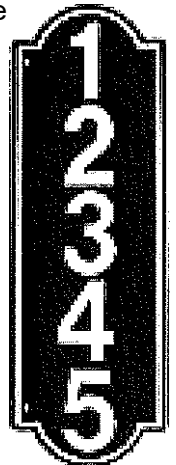

To place your order, fill out this form and return to City Hall with payment. Make checks payable to City of Caney. If you would like your sign installed, the Fire Department or Police Department will install it free of charge.
